### RATIONAL AND IRRATIONAL NUMBERS QUIZ

If you are looking for rational and irrational numbers quiz, you can use our site to download the needed PDF file. It is good news for you - no money is needed. We will help you to get rational and irrational numbers quiz quickly and easy. It will take you several seconds to create a free account and get the direct link to download rational and irrational numbers quiz. Registration is simple; there is a short instruction which can be used if you face such condition for the first time. You may ask why we use such methods. The answer is simple - it is because of numerous hackers' attacks that cause troubles and discomfort to those who want to download rational and irrational numbers quiz file for free. This data access helps to make the process of using our site more comfortable to people who need rational and irrational numbers quiz and other files. Our eBook database is unique; everyone can make use of it without paying a penny. Just download the necessary program, register and get an unlimited access to our stock of documents in PDF format.

### RATIONAL AND IRRATIONAL NUMBERS.

Definition. A rational number is one that can be written in the form  $\frac{a}{b}$  where  $a$  and  $b$  are integers and  $b \neq 0$ . In this representation,  $a$  and  $b$  can be chosen to be relatively prime. Then the fraction is said to be in lowest terms. The set of all rational numbers is denoted by  $\mathbb{Q}$ , the set of real numbers by  $\mathbb{R}$ . Real numbers that are not rational are called irrational. Basic fact. A real number is rational...
